Continuation of Substance of Interview including description of the general nature of what was discussed: Regarding claim 16:

The preamble is improper in that "The system of claim 15, further comprising:" should be changed to "A system for controlling display of images on a display comprising." The corrected preamble is what was originally disclosed in the cancelled claim 15 and is now part of claim 16.

Regarding claim 18:

"A computer readable mediumn having a program for controlling..." should be changed to "A computer readable medium having a program ezeutable by a computer for controlling..." The correction overcomes a potential 101 rejection of claim 18.

Regarding claim 20:

"The system of claim 19..." should be changed to "The display interface of claim 19..." The corrected preamble continues with what was originally disclosed in claim 19.

Regarding claim 21:

"A computer readable medium having a program for controlling..." shoud be changed to "A computer readable medium having a program executable by a computer for controlling..." The correction overcomes a potential 101 rejection of claim 21.
